## To Whom It May Concern:

I am writing to highly recommend Chen Shuyang for any future opportunities that may be available to him. Chen Shuyang was an intern at OBS Financial Solutions Pte Ltd from 12/09/2022 to 10/02/2023 as Java programmer and I had the pleasure of working with him on several projects.

From the start, I was impressed with his strong work ethic, attention to detail, and eagerness to learn. He quickly assimilated into our team and showed a remarkable ability to work independently, as well as part of a team. Chen consistently demonstrated his exceptional analytical and problem-solving skills, did great job eg. UI design which contributed to the successful completion of the projects we worked on.

Chen is a highly motivated and ambitious individual who always goes above and beyond what is required of him. He has talent in Programming and did well as full stack programmer. He also demonstrated his strong communication and interpersonal skills, which were critical in working with team members. Chen's positive attitude and willingness to take on additional responsibilities made him a valuable asset to our team, and I have no doubt he will continue to excel in any future endeavors.

In conclusion, I strongly recommend Chen Shuyang without reservation. He is an intelligent, hard-working, and dependable individual who would be an asset to any company or organization. If you require any further information, please do not hesitate to contact me.
